

# Read My Mind

## The Wanted

It's like you lock me down (yeah)  
Just take a look around (yeah)  
It's like a fire burning  
Burning up inside

How do I find the words to  
To finds the words to show ya  
Only you can call me out  
Out into the crowd

I bet if you could read my mind  
You would go into it all the time  
Tell me  
Where do we go from here?  
I need to know, I need to know now

I bet if you could get in my head  
And see everything I never said  
Tell me where do we go from here?  
I need to know, I need to know now

You're on the other side (yeah)  
You're just across the line (yeah)  
And I can feel you reaching  
Reaching out for me

How do I find the words to  
To finds the words to show you  
Only you can call me out  
Out into the crowd

I bet if you could read my mind  
You would go into it all the time  
Tell me  
Where do we go from here?  
I need to know  
I need to know now  
I bet if you could get in my head  
And see everything I never said  
Tell me

Where do we go from here?  
I need to know, I need to know now  
Need to know (baby)  
Yeah

I bet if you could read my mind  
You would go into it all the time  
Tell me  
Where do we go from here?  
I need to know  
I need to know now  
I bet if you could get in my head  
And see everything I never said  
Tell me  
Where do we go from here?  
I need to know, I need to know now

I need to know, I need to know now  
I need to know, I need to know now
