

# Ain't No Harmin' Me

## The War And Treaty

I seen the devil  
I seen his sons  
Chasing after  
The innocent with them blazing guns  
It ain't no way you can harm me

I taste the nectar  
Of the forbidden tree  
My eyes have been open  
To your bitter schemes  
Ain't no way you can harm me

I done took the devil's gold  
I done took the devil's heat  
I done robbed the man of the evil plans  
So, there ain't no harmin'

Ain't no harmin' me  
Ain't no harmin' me  
Ain't no harmin' me

I seen the devil  
I seen his daughters  
Bringing down the thunder  
On their absent fathers  
Ain't no way you can harm me

I done took the devil's gold  
I done took the devil's heat  
I done robbed the man of the evil plans  
So, there ain't no harmin' me

Ain't no harmin' me  
Ain't no harmin' me  
Ain't no harmin' me

I done took the devil's gold  
I done took the man's heat  
I done robbed the man of his evil plans  
So, there ain't no harmin' me

Ain't no harmin' me  
Ain't no harmin' me  
Ain't no harmin' me
