

# All I Wanna Do

## The War And Treaty

How's that sound to you, Tanya?  
Sound real good to me, sound real good  
1, 2, 1, 2, let's go

I can ride a train out west  
I can fly to New Orleans  
I can cruise with you through the Rocky Mountains  
'Til we run out of steam

All I wanna do is be with you  
And I don't know how, but when I'm with you  
We can count on the world in a day or two  
Everything I do you know I do it for you

I can sign up to go to war  
I can fight in Afghanistan (oh yeah)  
I can live remotely anywhere  
As long as you hold my hand

Yeah, all I wanna do is be with you  
And I don't know how, but when I'm with you  
We can count on the world in a day or two  
Everything I do you know I do it for you

All I wanna do is be with you  
All I wanna do is be with you  
All I wanna do is be with you  
All I wanna do is be with you
