

Copper Bullets

The Warning

Happy as can be
Picture-perfect reality
Not a worry or so it seems
Slowly, their problems start to increase
He's afraid to hurt and she's afraid of him
But nobody ever said a thing
He's a dangerous man and she's a lonely girl
Their picture-perfect life ain't so perfect anymore

There's something taking control
What happens next, there's no way she could've known

This love was just too much to take
The words come out like razor blades
The pressure was just too much
Just too much for you
The broken glass starts falling down
Her golden blood spills on the ground
He grabs a gun, the empty sound
Copper bullets ran her way, love will be her end

Eh-eh, eh-eh-eh-eh-eh-eh
Eh-eh, eh-eh-eh-eh-eh-eh
Eh-eh, eh-eh-eh-eh-eh-eh
Eh-eh, eh-eh

Happy as can be
Picture-perfect reality
Not a worry or so it seemed
Slowly, their problems started to increase
He's afraid to hurt, but he already did
And nobody ever said a thing
He's a dangerous man, she was a lonely girl
Their picture-perfect life ain't so perfect anymore

There's something taking control
What happens next, there's no way she could've known

This love was just too much to take
The words come out like razor blades
The pressure was just too much
Just too much for you
The broken glass starts falling down
Her golden blood spills on the ground
He grabs a gun, the empty sound
Copper bullets ran her way, love will be her end

He couldn't stand what he had done
The monster that he had become
And the guilt was just too much
So he grabbed the gun
He saw his lover on the ground
Her golden blood spilled from her mouth
An echo of the empty sound
Copper bullets ran his way, love was their end

Eh-eh, eh-eh-eh-eh-eh-eh

Eh-eh, eh-eh-eh-eh-eh-eh
Eh-eh, eh-eh-eh-eh-eh
Copper bullets ran their way
Love was their end
