

Escape The Mind

The Warning

I can't break down the boundaries
Can't put the past behind me
I just can't believe that you can
Break the cage, destroy the chains
Escape the mind

Here in this place, love is a maze
So it's better to just be alone
Here in this place, nobody shows their face
Fear has reigned control over us

I, we live in a cage
But I am going to escape today

I'm breaking down the boundaries
Putting the past behind me
I'm stepping over the debris
I finally can breathe, I can see I am free
I've escaped the mind

Here in this place, everything is fake
Nothing will ever change
Here in this place, we're just pawns in a game
All we'll ever do is play

I, I won't stay here
I'm going to overcome my fears

I'm breaking down the boundaries
Putting the past behind me
I'm stepping over the debris
I finally can breathe, I can see I am free
I've escaped the mind
I'm breaking down the boundaries
Putting the past behind me
I'm stepping over the debris
I finally can breathe, I can see I am free
I've escaped the mind
