### The Wedding Present

So the right answer is  
To dispense with these formalities  
We can't possibly fail  
Because we can lick thirty tigers today  
If you're inclined

I know you won't refuse  
Because you agree there is nothing to lose  
We're two of a kind  
Don't look behind

You're still doubtful but I've  
Seen adventures like this one arrive  
So many times  
You've just got to learn how  
cos the future is starting right now  
Oh, I just know  
You are ready to go

Make a movie today  
Buy a red Chevrolet  
Let's go swim the Zambezi  
Let's do it just cos it's easy

Sometimes if we just wait  
For the right moment it comes far too late  
Oh, I just know  
You are ready to go

Ride white horses today  
Buy a red Chevrolet  
Let's go swim the Zambezi  
Let's do it just cos it's easy

Let's fly close to the sun  
Let's do it just cos it's fun  
Let's go swim the Zambezi  
Let's do it just cos it's easy

Make a movie today  
Buy a red Chevrolet  
Let's go swim the Zambezi  
Let's do it just cos it's easy
