

## Boing!

### The Wedding Present

Why do you say you care?  
Well you don't show it  
And you know it isn't fair  
You just need someone to blame  
Well "someone" is not me  
But I know he'll be just the same  
You'll come bouncing, bouncing back to me  
You'll come bouncing, bouncing back to me  
You'll come bouncing, bouncing back to me  
You'll come bouncing, bouncing back to me  
I don't know what to believe  
Last night you held me  
Today you tell me you're going to leave  
Oh, you've got so much to learn  
Go if you must go  
Oh, but I know you'll return  
And you'll come bouncing, bouncing back to me  
You'll come bouncing, bouncing back to me  
You'll come bouncing, bouncing back to me  
You'll come bouncing, bouncing back to me  
You'll come bouncing, bouncing back to me  
You'll come bouncing, bouncing back to me  
You'll come bouncing, bouncing back to me  
You'll come bouncing, bouncing back to me
