Convertible

The Wedding Present

You know that I could make you very happy and I warn
you now that he won't call
Sure he said he'd try but he talks so much crap he
never means what he says at all
Oh yes her, I'm still with her
But you're still with her
But I guess I'm always convertible
But you're still with her
Just flick the switch and I'm yours

I don't want a friend because I've got friends already
I just want to go back home with you
Oh I won't pretend because I'm more than ready, oh
please say you feel it too
Oh yes her, I'm still with her
But you're still with her
But I guess I'm always convertible
But you're still with her
Just flick the switch and I'm yours

Oh yes I hear what you're saying
But I'm afraid you're not staying
Because I'm not as naïve as you believe

Oh yes I hear what you're saying
Yours
But I'm afraid you're not staying
Because I'm not as naïve as you believe
Just flick the switch and I'm yours

Oh yes I hear what you're saying
Yours
But I'm afraid you're not staying
Because I'm not as naïve as you believe
Just flick the switch and I'm yours
