

## Getting Nowhere Fast

### The Wedding Present

You're not looking forward and you are not looking back  
You've lost your warranty, you'll never get your money  
back

My baby's buying me another life, getting nowhere fast  
I am finished when I don't do what they want me to  
I know them more than you, that's what the general public  
think

My baby's buying me another life, getting nowhere fast  
It makes you feel good, you've answered all the questions  
right

You've won a holiday, that'll help you sleep tonight

My baby's buying me another life, getting nowhere fast  
We are not looking forward and we are not looking back  
We've lost our warranty, we'll never get our money back  
My baby's buying me another life, getting nowhere fast  
My baby's buying me another life
