

## Go, Man, Go

### The Wedding Present

By the time you read this  
I will be a world away  
I decided I can't stay  
I'm leaving, there, well now you know  
I warned you I might go  
But what I didn't mention then  
Is that I'm never coming back again  
Because it's go, man, go  
Go, man, go  
Go, man, go  
Don't cry, I'm sorry it's "Goodbye"  
But my life's ground to a halt  
And, no, it's not your fault  
I'm leaving, what else should I do?  
And I'm still in love with you  
But please don't ask me when  
Because I'm never coming back again  
And it's go, man, go  
Go, man, go  
Go, man, go  
I'm never ever coming back again  
And it's go, man, go  
Go, man, go  
Go, man, go  
Go, man, go
