

## After Hours

## The Weeknd

Thought I almost died in my dream again (Baby, almost died)  
Fightin' for my life, I couldn't breathe again  
I'm fallin' into you (Oh)  
Without you goin' smooth (Fallin' in)  
'Cause my heart belongs to you  
I'll risk it all for you  
I won't choose to leave  
This time I'll never leave  
I wanna share babies  
Protection we won't need  
Your body next to me  
Is just a memory  
I'm fallin' in too deep, oh  
Without you, I'm asleep  
It's on me, only me, oh  
Talk to me, without you I can't breathe

My darkest hours  
Fell apart from a lonely time in this crowded room  
Different girls on the floor, distracting my thoughts of you  
I turned into the man I used to be, to be  
Put myself to sleep  
Just so I can get closer to you inside my dreams  
Didn't wanna wake up 'less you were beside me  
I just wanted to call you and say, and say

Oh, baby, where are you now when I need you most?  
I'd give it all just to hold you close  
Sorry that I broke your heart, your heart

Never come and go  
I was runnin' away from base of reality  
Wastin' all of my time on livin' my fantasies  
Spendin' money to compensate, compensate

'Cause I want you baby  
I'll be livin' in Heaven when I'm inside of you  
Can't resent when I'm blessed, I wake up beside you  
I'll never let you down again, again

Oh, baby, where are you now when I need you most?  
I'd give it all just to hold you close  
Sorry that I broke your heart, your heart  
I said, baby, I treat you better than I did before  
I hold you down, when I let you go  
This time I won't break your heart, your heart, yeah

I know it's all my fault  
Made you put down your guard  
I know I made you fall  
I said you were wrong for me  
I lied to you, I lied to you, I lied to you (To you)  
Can't hide the truth, I stayed with her in spite of you  
You did some things that you regret, still right for you  
'Cause this house is not a home

Without my baby, where are you now when I need you most?

I give it all just to hold you close  
Sorry that I broke your heart, your heart  
And I said, baby, I'll treat you better than I did before  
I hold you down, when I let you go  
This time I won't break your heart, your heart, no
