

# Dancing In The Flames

The Weeknd

(Yeah)

Traffic dies while we are racing home  
Melted lights cover the open road  
I hope we make it, 'cause I've been chasin'  
Another odyssey, oh

I can't wait to see your face  
Crash when we're switchin' lanes  
My love's beyond the pain  
But if I miss the brake  
We're dancin' in the flames  
It's indescribable

Ooh, yeah

"The world can't heal", they say on the radio (Oh, no)  
So grab the wheel, want you to be in control  
We're dodgin' headlights and you say, "Hold tight"  
Another odyssey, oh (Hey)

I can't wait to see your face  
Crash when we're switchin' lanes  
My love's beyond the pain  
But if I miss the brake  
We're dancin' in the flames  
It's indescribable

Ooh (Indescribable), oh  
Ooh

Everything's faded, we barely made it  
The fire's ragin', but you're still beautiful  
And it's amazin', 'cause I can taste it  
Our final odyssey, ooh

I can't (I can't) wait to see your face (Wait, ha)  
Crash when we're switchin' lanes  
My love's beyond the pain (Hey)  
But if I miss the brake  
We're dancin' in the flames (Dancin' in the flames)  
So, just have faith (Just have faith in me, baby)  
We'll never be the same (We'll never, we'll never be the same, hey)  
It's indescribable

Ooh (Indescribable)  
Oh, hey  
Ooh (Indescribable)
