

Final Lullaby

The Weeknd

I'm running out of time
And you'll always be on my mind

And I can't make you stay
In this broken place
And I hope you find peace
Close your eyes as I put us to sleep

Finally
To sleep
Finally

And I can't make you stay
In this broken place
And I hope you find peace
Close your eyes as I put us to sleep

Finally
Go to sleep
Finally
Oh-oh, oh, oh-oh
Oh-oh, oh, oh-oh-oh

I'm home alone
My trauma, alone

I can't make you stay
In this broken place
Won't you find peace?
Close your eyes and I put us to sleep

Woah, oh, oh
To sleep, woah
Na-na-na-duh-na-na
Woah, na-na-na
Na-na-na-na
Oh, oh
