The Weeknd

Blunt after blunt after blunt after blunt
After blunt after blunt after, hey
Cup after cup, gotta double that up
I've been waitin' on this all day
Nigga pass that shit, yeah

Smoke a little, smoke a little, smoke a little, all days
I double that cup like the mixtape days
I'm the same nigga, crack that shit
Yeah, then pass that shit
I pour up, I pour up, I pour up, I pour up some more
Your shit too pink to be sipping so goddamn slow
Nigga crack that shit
Yeah
Then pass that shit
If you're not with me, I feel bad for your team
You should cut them off, you can follow your dreams
Now the tour is done, I'mma have me some fun
Mix up that xan with a kickstand
Strip club lit up cause the wristbands
Your friends so low if you ain't my dog
Don't talk to mine if you ain't my dog
Mulsanne on deck with the emblem
I own that shit, no rental
We fuck up we fuck up we fuck up we fuck up the run
My niggas come quick with that lambo, that's the shit
Yeah that's the shit

Blunt after blunt after blunt after blunt
After blunt after blunt after, hey
Cup after cup, gotta double that up
I've been waitin' on this all day
Nigga pass that shit, yeah

Blunt after blunt after blunt after blunt
After blunt after blunt after, hey
Cup after cup, gotta double that up
I've been waitin' on this all day

What you women talkin' 'bout?
I only wanna get up there
A bad bitch rollin' up some good
Light it up and hand me it
All I wanna do, trouble up

Extendo doubled up
Tired as fuck ain't no more work
Ease my mind, that's where it hurt
Pull up in somethin' that go skrrt
Fishtailin' like we Dirk
Feel like Ray J for the purp
Come and let me hit it first
I'ma pass it if it's some gas
I'ma pull up, might forget to ask
Smokin' Ivory, passin' plenty tabs
Roll the 'Wood up so it can last

Blunt after blunt after blunt after blunt
After blunt after blunt after, hey
Cup after cup, gotta double that up
I've been waitin' on this all day
Nigga pass that shit, yeah
