## The Weeknd

Your man on the road, he doing promo  
You said keep our business on the low-low  
I just wanna get you out the friend-zone  
Cause you look even better than the photos  
I can't find your house, send me the info  
Driving through the gated residential  
Found out I was coming, sent your friends home  
Keep on tryna hide it but your friends know

I only call you when it's half past, five  
The only time that I'll be by, your, side  
I only love it when you touch me, not feel me  
When I'm fucked up, that's the real me  
When I'm fucked up, that's the real me, yeah  
I only call you when it's half-past, five  
The only time I'd ever call you mine  
I only love it when you touch me, not feel me  
When I'm fucked up, that's the real me  
When I'm fucked up, that's the real me, babe

I'mma let you know and keep it simple  
Tryna keep it up, don't seem so simple  
I just fucked two bitches 'fore I saw you  
You gon' have to do it at my tempo  
Always tryna send me off to rehab  
Drugs start to feel like it's decaf  
I'm just tryna live life for the moment  
And all these motherfuckers want a relapse

I only call you when it's half past, five  
The only time that I'll be by, your, side  
I only love it when you touch me, not feel me  
When I'm fucked up, that's the real me  
When I'm fucked up, that's the real me, yeah  
I only call you when it's half-past, five  
The only time that I can call you mine  
I only love it when you touch me, not feel me  
When I'm fucked up, that's the real me  
When I'm fucked up, that's the real me, babe

Hills have eyes, the hills have eyes  
Who are you to judge, who are you to judge?  
Hide your lies, girl hide your lies  
Who are you to trust, who are you?

I only call you when it's half past, five  
The only time that I'll be by, your, side  
I only love it when you touch me, not feel me  
When I'm fucked up, that's the real me  
When I'm fucked up, that's the real me, yeah  
I only call you when it's half-past, five  
The only time that I can call you mine  
I only love it when you touch me, not feel me  
When I'm fucked up, that's the real me  
When I'm fucked up, that's the real me, babe
