I've been patient
About this situation
And don't you worry
About your heart breakin'

Said, I'll never leave you alone
But this part you do on your own, your own
I said, I'll never leave you alone
But this part you do on your own, your own
Yeah, I'll never leave you alone
But this part you do on your own, by yourself, baby
I said, I'll never leave you alone
But this part you do on your own, your own

Ohh, ohh, ohh-ohh, ohh
Ohh-ohh, ohh, ohh, ohh
Ohh, ohh, ohh-ohh, ohh
Ohh-ohh, ohh, ohh, ohh
Ohh, ohh, ohh-ohh, ohh
Ohh-ohh, ohh, ohh, ohh
Ohh, ohh, ohh-ohh, ohh
Ohh-ohh, ohh, ohh, ohh
