Ever since I was a jit, knew I was the shit (Ooh, yeah)  
Shorty keep wanna come 'round, she wanna get hit (Wanna get hit so hard)  
She think she the main because I keep her by my side  
Double-O, bust down the watch, she know that I'm timeless (Timeless)  
I put my son in some Rick  
I pull that gun off the hip  
Pockets hold twenty-two clips (Ah)  
I break her heart, Comme Garçons  
Put on a shirt, get put on a blimp  
Bitch like a stain, get ready to lick  
I had to tell her that ever since I was a jit, knew I was the shit (Oh)  
She singin' my songs, she wanna die lit, tryna get hit  
House like a bank, deposit this bitch, deposit that check  
Smile on my face, ain't playing shit, come and get checked (Uh)  
Ice on my neck, double-O wrist  
She in the Scat, hell of a 'Cat  
Fresh out the trench, four hundred packs  
Uh, yeah, I'm spinnin' in Paris (Uh)  
Dress for these hoes, they finna flock  
Just poured a four in a soda, it pop  
Them drugs finna hit, I'm feelin' ill

She fell in love with the cream (Yeah), she fell in love with the scene  
Ooh, yeah, her man quiet, not a peep (Oh, nah)  
Broke his heart, PTSD (Oh, nah)  
Hold his chest, let it breathe  
Let it breathe, niggas scheme  
And I got a priest, he got a cross  
Get out of line, send him to God  
I shed a tear, pray for a loss, ooh, yeah (Yeah)
