## The Whispers

Bingo, bingo  
Bingo, bingo  
Hey, hey, yeah

I was a man down on my luck  
You came along and you picked me up  
You must be (Must be, must be) a lucky number (Seven, ah)  
You took my life, you worked wonders

Oh, since that very day  
Love has come my way  
I struck it rich when I, when I found you  
Hoo-hoo

Bingo, I struck it rich  
I won your love (I won your love)  
Bingo, I struck it rich  
I won your love

I closed my eyes, crossed my fingers (Yeah, yeah)  
Placed my bet, bingo  
I closed my eyes, crossed my fingers  
Placed my bet, bingo

I took a chance and I bet on you  
And like a tramp, you came on through  
You're a treasure (Treasure, treasure) that's so hard to find  
I'm a winner, girl, I'm glad you're mine

Oh, since I kissed your lips  
It seems I struck it rich  
I struck gold when I, when I found you  
Hoo-hoo

Bingo, I struck it rich  
I won your love, yes, I did (I won your love)  
Bingo, I struck it rich  
I won your love

I closed my eyes, crossed my fingers  
Placed my bet, bingo (Hey, hey, hey, hey)
