

# Here Comes Tomorrow

The Whispers

Today's the beginning of living without you  
Oh, how will I fill the space and the time  
That you left behind  
And now there's no shadows on the wall next to mine  
And I still can't believe that you'd leave  
So I turned from the truth and scene of my heart

Close your eyes  
Tomorrow, it's coming, it's coming  
Here comes tomorrow  
Close your eyes  
Tomorrow, it's coming  
And I don't wanna see  
What's in store for me, baby  
Tell the sun up above  
I can't go on without your love  
Close your eyes  
Tomorrow, it's coming, it's coming  
Here comes tomorrow  
Close your eyes  
Tomorrow, it's coming  
And I don't wanna see  
What's in store for me, baby

My everyday problems seems larger than life  
Ooh, I just feel so helpless without you  
To keep the tears from my eyes  
If this is the preview of the pain yet to come  
Then I just can't go on, so I cling to the dark  
And heed the worst of my heart

Close your eyes  
Tomorrow, it's coming, it's coming  
Here comes tomorrow  
Close your eyes  
Tomorrow, it's coming  
And I don't wanna see  
What's in store for me, baby  
Tell the sun up above  
I can't go on without your love  
Close your eyes  
Tomorrow, it's coming, it's coming  
Here comes tomorrow  
Close your eyes  
Tomorrow, it's coming  
And I don't wanna see  
What's in store for me, baby

Close your eyes  
Tomorrow, it's coming, it's coming  
Here comes tomorrow  
Close your eyes  
Tomorrow, it's coming  
And I don't wanna see  
What's in store for me, baby...
