

I Love The Way You Make Me Feel

The Whispers

Baby, baby, ooh, baby
Your lovin' is drivin' me crazy
For the first time in my life
I find it hard to sleep at night
And my food, ooh, my food
Don't taste the same
Oh, and my mind
My mind is going through a change, yeah

Well, I love the way
I love the way you make me feel
I love the way
I love the way you make me feel

Baby, baby, ooh, baby, baby
Your lovin', oh, you know, maybe
At first, I had my doubts
But now I'm slowly, slowly
Slowly finding out
Oh, just to get love, I have to give
Oh, and when I got love
I got love, I'm starting to live, hey

And I love the way
I love the way you make me feel
I love the way
I love the way you make me feel

Until you came along
I was singin'
I was singin' a different song
But now I'm glad, I'm glad I'm me
And you're all I'll ever need, love
Oh, yeah

I'm so glad for what you've done, ooh...
You've become, you've become
You've become my morning sun
And I'm so glad you came along, oh...
And you changed, you changed my tired old song, yeah

And I love the way
I love the way you make me feel
Ooh, baby, I love the way
I love the way you make me feel...
