

I'm the One for You

The Whispers

Girl, I heard you're seein' him
People say you're in love
And I've seen you along with him
And I just don't think that
He's the one you're thinkin' of, baby

I'm the one for you
Sure 'nuff, baby
I'm the one for you
Hey, you
I'm the one for you
Come on, tell the truth now, baby
Ain't I the one for you

And, girl, I heard you wanna get married
And he's so much better for you than me
But still you don't smile
Like I've seen you smile
When your heart is free
And your mind is right at ease, baby

I'm the one for you
Sure 'nuff for you, baby
I'm the one for you
Hey, you
I'm the one for you
Come on, tell the truth now, baby
Ain't I the one for you

When I look into your eyes
I don't see the love light shining there
Girl, I would not be surprised, oh no
If you think that you are
Gonna use me for a spare now, baby

I'm the one for you
You, baby
I'm the one for you
Hey, you
Say, I'm the one for you
Come on, tell the truth now, baby
Ain't I the one for you

I've seen the guy you've been hangin' 'round
But I know he ain't gettin' down with you
Not like I do
Hey, you can try to play it cool
But I'm the one that you can't fool
No, no, I'm the one for you, baby
Listen, he's got wealth, he's got charm
But I'm the one with loving arms for you
I'm the one for you, hey

I'm the one for you
Nobody but you, baby
I'm the one for you

You, I'm the one for you
Hey, you, I'm the one for you, baby
Come on, tell the truth now, baby
Say I'm the one for you
I'm the one for you, baby...
