

If I Don't Get Your Love

The Whispers

I know I wanted to see
All the stars in the galaxy
Maybe I never will reach
All my dreams
But there is one thing I just gotta have
And if I don't, I know
Though I can live without many things
I will die if I don't get your love

If I don't, if I don't get your love
Get your love, might as well dress up and die
If I don't, if I don't get your love
Get your love, might as well dress up and

Sometimes I wait from my sleep
Just to see you there next to me
While in the light of the moon
I kiss you, I kiss you, baby
I close my eyes and go back to sleep
Knowin' all the time that it's true
Well, well, well
When the sun opens up my eyes
I'd be lost if I don't see you

If I don't, if I don't get your love
Get your love, might as well dress up and die
If I don't, if I don't get your love
Get your love, might as well dress up and

I close my eyes and go back to sleep
Knowin' all the time that it's true
Well, well, well
When the sun opens up my eyes
I'd be lost if I don't see you

If I don't get your love, babe
Don't you know I'll just die
If I don't get your love, babe
Don't you know I'll just die...
