

# Shout and Shimmy

The Who

Do you feel alright?  
Well do you feel alright children?  
Do you feel alright?

You know you make me want to shout shimmy,  
Oh yeah you gonna shout shimmy,  
Oh yeah you gonna shout shimmy,  
Oh yeah you gonna shout shimmy,

Oh yeah you know I walk up to the front, I try to do the flop,  
I walk up to the back, and I move on side to side,  
Then I stop, oh yeah and then I drop,  
Oh yeah and then I drop,

Oh yeah and then I do a little thing I never did before,

Do you feel alright? Do you feel so good? Do you feel so good?  
Do you feel alright? Do you feel alright? Tell me now, tell me now,  
Do you feel alright? Do you feel alright?  
Everybody do you feel so good? You know I feel alright,

You know you make me want to shout shimmy,  
Oh yeah you gonna shout shimmy,  
oh yeah you gonna shout shimmy,

Oh yeah you gonna shout a little bit soft, shout a little bit quieter  
,  
Shout a little bit soft, come on soft, shout a little bit soft,  
A little bit soft, cool down, cool down, come on, cool it down,  
I feel so good, I feel alright, drum on, drum on, drum on drummer,

Everybody everybody everybody clap your hands, come on clap your hands,  
Clap your hands, a little bit harder, a little bit louder,  
A little bit harder, a little bit louder, a little bit louder,

Come on and shout, everybody, come on and shout, come on and shout baby,  
Come on and shout baby, do you feel alright? Do I feel so good?  
Do you feel alright? Do I feel so good? Call a doctor, call a doctor,

Do you feel alright?  
Do you feel alright?  
Do you feel alright?  
Do you feel alright?  
Do you feel alright?

You know I feel so good I'm gonna shout and shimmy all night,  
I feel all, you know I feel alright.
