

Roll the Acrobats

The Wiggles

Roll the acrobats just roll
Roll until tomorrow
They will roll away your pain
They can roll away your sorrow
For strength vitality
They will roll until tomorrow
What a spectacle to see
As they roll until tomorrow
They're rolling and rolling and rolling and rolling
And rolling all over the floor
They're rolling and rolling and rolling and rolling
Amazing they never get sore

May I take a moment of your time?
The mighty acrobats keep rolling
They roll while the great bells chime
They roll to heaven's tolling
Ah, they're rolling and rolling and rolling and rolling

And rolling all over the floor
They're rolling and rolling and rolling and rolling
Amazing they never get sore
Outside the rain, they fall
Hear the sound of thunder rumbling
The wind blows trees so tall
The acrobats keep tumbling
Ah, they're rolling and rolling and rolling and rolling
And rolling and rolling again
They're rolling and rolling and rolling and rolling
And rolling and rolling and then
There's more rolling and rolling and rolling and rolling
And rolling all over the floor
They're rolling and and rolling and rolling
Amazing they never get sore
