The Wild Feathers

Where have all my friends gone?  
They've all disappeared  
Turned around maybe one day  
You're all that was there  
Stood by unbelieving  
Stood by on my own  
Always thought I was someone  
Turned out I was wrong

But you brought me through  
And you made me feel

So blue  
Why don't you  
Stay behind?  
So blue  
Why don't you stop  
And look at what's going down?

Lived by an old woman  
She'd never sell me a lie  
It's hard to sing with someone  
Who won't sing with you  
Give all of my mercy  
Give all of my heart  
Never thought that I'd miss you  
That I'd miss you so much

But you brought me through  
And you made me feel

So blue  
Why don't you  
Stay behind?  
So blue  
Why don't you stop  
And look at what's going down?

All my life  
I've waited for  
Someone I  
Could show the door  
But nothing seems to change  
You've come back into my arms

So blue  
Why don't you  
Stay behind?  
So blue  
Why don't you?  
Why don't you stay behind?  
So blue  
Why don't you?  
Stay behind?  
So blue  
Why don't you stop  
And look at what's going down?
