

Rendezvous

The Wild Feathers

One simple decision is changing everything you've ever known
Only if it was different, might have sent you down another road
I saw myself as a poor man
I saw myself where all my dreams came true
Saw myself in the army dying somewhere with my whole life to lose

Now my mind's wide open
And I'm waiting on a rendezvous
To the next dimension
Where anything can happen to you
Anything out of the blue
Could happen to you

I saw myself defected
I saw myself as a wild one raging on
Saw myself plying 4 string, 6 string, 8 string, 12 string
Anything for a song

Now my minds wide open
And I'm waiting on a rendezvous
To the next dimension
Where anything can happen to you
Anything out of the blue
Could happen to you

I don't know who I am
I don't know if I understand what's happening
Everything I plan
Has fallen right through my hands, again and again

I saw myself in a corner
I saw a legal deadline running down
I saw myself running forward towards the window
Looking to jump out

Now my minds wide open
And I'm waiting on a rendezvous
To the next dimension
Where anything can happen to you
Anything out of the blue
Could happen to you
