

Love U 'Til I Don't

The Wildhearts

Well, I used to think that bad times lay behind me
I used to think I'd had my share of pain
My friends all tried to tell me I was dreaming
Yeah, but I just stood behind you all the same
Come take me down and make me dirty
Well, I guess that's all I've ever been
Well, I should have realised there ain't no reason
I should have seen the writing on the wall
The Frankenstein you tried creating
To give your trust and I'm still waiting
Take me as I am or not at all

The only thing I ever wanted
Was the only thing you never gave

Love ya... until I don't
Love ya...

And if it takes me all my life just to get you out of my head
Well, maybe I'd rather be dead!

When I get hot she turns away
I wish I'd never called to say...
Ooh yeah

Love ya... until I don't
Love ya...

And if it takes me all my life just to get you out of my head
Well, maybe I'd rather be dead!

Now honey please (now honey please)
Now honey please (now honey please)
