Occasionally Crazy

The Wilkinsons

Sometimes I cry and I dont know
Guess I just feel like being blue
Sometimes I ly in the warm sunshine
And look at clouds like children do
Sometimes I laugh, sometimes I pout
I haven't figured myself out
I guess there isn't any doubt
I'm just occasionally crazy
Occasionally crazy
Just occasionally
If I like to kiss in the pouring rain
It doesn't mean that I'm insane
If I crack up at an inisde joke
I guess it only goes to show
I can make fun of myself
I don't nead anybody's help
Deep down inside I've always felt
I'm just occasionally crazy
Occasionally crazy
Just occasionally
If you can handle me the way I am
Accept my eccentricities and understand
I'm not always all there
And sometimes I drift off somewhere
But we might be the perfect pair
If only you're occasionally crazy
If you can handle me the way I am
Accept my eccentricities and understand
I'm not always all there
And sometimes I drift off somewhere
But we might be the perfect pair
If only you're occasionally crazy Occasionally crazy
Sometimes I laugh, sometimes I pout
I haven't figured myself out
I guess there isn't any doubt
That I'm occasionally crazy
Occasionally crazy
Just occasionally
