

# Restoration

The Winans

Restore me,  
Restore to me the joy  
repeat 1x  
This is my prayer today yeah

verse 1

It reminds me of the prodigal son  
After his righteous livin  
All the evil he had done  
Yet when he returned his father received him home  
Gave him a ring of gold put him on a robe  
Killed the fatted calf gave him somethin he never ever  
had

Restoration

chorus

Restoration has finally come  
Been restored back to my place in God

What would i know about being restored if i never lost  
my place  
What would i know about his mercy if i hadn't got out  
of grace it sort of reminds me of the  
Prodigal son

After his righteous livin  
All the evil he had done  
Yet when he returned his father received him home  
Gave him a ring of gold put him on a robe  
Killed the fatted calf gave him somethin he never ever  
had
