

## Enemy

### The Wind and the Wave

All I ever needed was your love  
All I ever needed was to tell you what I was dreaming of  
All I ever wanted was your love  
Cause the other stuff will come  
All I ever wanted was your love

Don't wanna hurt you  
I don't wanna hurt you  
No, I need you more than anything  
Don't wanna hurt you  
I don't wanna hurt you  
I can see I'm my only enemy, oh  
I'm my only enemy, oh  
I'm my only enemy, oh  
I'm my only enemy

All it ever did was make you numb  
All it ever did was keep you from feeling something good  
All it ever did was pull the rug out from under us  
And all it ever did was make you numb

Don't wanna hurt you  
I don't wanna hurt you  
No, I need you more than anything  
Don't wanna hurt you  
I don't wanna hurt  
I can see I'm my only enemy, oh  
I'm my only enemy, oh  
I'm my only enemy, oh  
I'm my only enemy

If I could only let go, oh  
Trust the universe knows, oh  
Forgive myself for all the things I've done  
And be done

I don't wanna hurt you  
I don't wanna hurt you

I don't wanna hurt you  
I don't wanna hurt you

Oh, I'm my only enemy, oh  
I'm my only enemy, oh  
I'm my only enemy, oh

I don't wanna hurt you  
I don't wanna hurt you  
No, I need you more than anything  
Don't wanna hurt you  
I don't wanna hurt  
I can see I'm my only enemy, oh  
I'm my only enemy, oh  
I'm my only enemy, oh  
I'm my only enemy
