

# Happiness Is Not a Place

## The Wind and the Wave

I don't wanna be here no  
If you don't wanna be here no  
I don't wanna run  
But I can't stand still  
I dream hard  
I beat myself up  
I'm trying to trust you  
And never give up

Oh, I know  
You gotta be wrong  
Sometimes  
If you wanna get along  
Don't you know that

And don't you know happiness is not a place  
It's the road you take  
And who you choose to walk it with  
And the grass ain't always greener on the other side  
It's okay  
But I wish it was easy like it sounds  
Just believe one day  
And your walls start coming down  
Trust me things are gonna be alright

You're never gonna be sure no  
At some point you jump  
And sometimes it works out  
And sometimes it don't  
'Cause I feel fine  
I feel fucked up  
One day it's alright it's all good baby  
And then it's not

Oh, I know  
You gotta be wrong  
Sometimes  
If you wanna get along  
Don't you know that

And don't you know happiness is not a place  
It's the road you take  
And who you choose to walk it with  
And the grass ain't always greener on the other side  
It's okay  
But I wish it was easy like it sounds  
Just believe one day  
And your walls start coming down  
Trust me things are gonna be alright
