

Young Folks

The Wind and the Wave

If I told you things I did before, told you how I used to be
Would you go along with someone like me?
If you knew my story word for word, had all of my history
Would you go along with someone like me?

I did before and had my share, it didn't lead nowhere
I would go along with someone like you
It doesn't matter what you did, who you were hangin' with
We could stick around and see this night through

And we don't care about the young folks talkin' 'bout the young
style
And we don't care about the old folks talkin' 'bout the old sty
le too
And we don't care about their own faults, talkin' 'bout our own
style
All we care about is talkin', talkin' only me and you

Usually when things have gone this far, people tend to disappea
r
No one will surprise me unless you do
I can tell there's somethin' goin' on, hours seem to disappear
Everyone is leavin', I'm still with you

It doesn't matter what we do, where we are goin' to
We can stick around and see this night through

And we don't care about the young folks talkin' 'bout the young
style
And we don't care about the old folks talkin' 'bout the old sty
le too
And we don't care about their own faults, talkin' 'bout our own
style
All we care about is talkin', talkin' only me and you

And we don't care about the young folks talkin' 'bout the young
style
And we don't care about the old folks talkin' 'bout the old sty
le too
And we don't care about their own faults, talkin' 'bout our own
style
All we care about is talkin', talkin' only me and you
Talkin' only me and you

Talkin' only me and you
Talkin' only me and you
