

## Devil You Know

The Winery Dogs

I'm just as satisfied to let you be  
But can you live within your skin?  
I'll make you see the things you wanna see  
Come tap my energy  
I know you think nirvana? s out of reach  
But you'll thank me if you follow me  
we'll open doors if we use my key... yeah yeah yeah

Circumstance came to be  
Break your trance and depend on me

So if you're nothing at all you know I'm giving everything  
Yeah I'm just the devil you know  
If you answer the call I'll show you what tomorrow brings  
Yeah I'm just the devil you know  
If you're ready to soar you know I'm gonna give you wings  
Yeah I'm just the devil you know  
If you answer the call I'll show you what tomorrow brings  
Yeah I'm just the devil you know

I'll bet you think you've got it sorted out  
And you can make it on your own now  
But when you're feeling like you're down and out  
I will be waiting on your shoulder

Circumstance brought you here  
Take a chance, I know what you fear

So if you're nothing at all you know I'm giving everything  
Yeah I'm just the devil you know  
If you answer the call I'll show you what tomorrow brings  
Yeah I'm just the devil you know  
If you're ready to soar you know I'm gonna give you wings  
Yeah I'm just the devil you know  
If you answer the call I'll show you what tomorrow brings  
Yeah I'm just the devil you know
