

Midnight Rider

The Wood Brothers

I've had to run to keep from hidin'
And I'm bound to keep on ridin'
And I've got one more silver dollar

But I'm not gonna let 'em catch me, no
Not gonna let 'em catch the midnight rider

I don't own the clothes I'm wearing
And the road goes on forever
An I got one more silver dollar

But I'm not gonna let 'em catch me, no
Not gonna let 'em catch the midnight rider

I've gone by the point of carin'
Some old bed I'll soon be sharin'

And I've got one more silver dollar

But I'm not gonna let 'em catch me, no
Not gonna let 'em catch the midnight rider

No, I'm not gonna let 'em catch me, no
Not gonna let 'em catch the midnight rider

No, I'm not gonna let 'em catch me, no
Not gonna let 'em catch the midnight rider
