

# Sweet Maria

The Wood Brothers

I dream of your kiss  
And my innocent bliss  
Sweet Maria  
I never knew what I was missing  
Sweet Maria  
I once called it happiness

She was all I knew  
Till I fell in love with you  
Sweet Maria  
Won't you tell me what to do  
Sweet Maria  
Should I count on you

My beautiful life  
Was lost in one night  
With you Maria  
I fear for the truth  
My days without you

Turn me to stone

Nothing I can say  
To the one that I betray  
Sweet Maria  
And with every passing day  
Sweet Maria  
My love turns to a dream

My beautiful life  
Was lost in one night  
With you Maria  
I fear for the truth  
My days without you  
Turn me to stone
