

Up Above My Head

The Wood Brothers

Up above my head (up above my head)
I hear music in the air.
(Up above my head)
I hear music in the air.
Up above my head I hear music in the air
I really do believe, I really do believe there's joy somewhere.
Up above my head (up above my head)
I hear singing everywhere
(Up above my head)
I hear singing everywhere
Up above my head I hear singing everywhere
I really do believe, I really do believe there's joy somewhere.
All in this room (all in this room), I hear music in the air
All in this room (all in this room), I hear music in the air
All in this room, I hear music in the air
I really do believe, I really do believe there's joy somewhere
I hear music everywhere
I hear music everywhere
Up above my head, I hear music everywhere
I really do believe, I really do believe there's joy somewhere
I hear music everywhere
I really do believe, I really do believe there's joy somewhere
.
