

GREATEST ALMOST

The Word Alive

She told me that I'd never find someone better
'Til I severed everything she planted in my head
The further and further I distance myself

Thought you had me, almost got your wish
Thought you'd break me
Thought you had me, almost got your wish
Thought you'd break me, almost got your wish
I never wanted, I never wanted this
You'll be the last one, the last one that I'd miss
Thought you had me, I'm your greatest almost
I'm your greatest almost, I'm your greatest almost
I'm your...
