

# I Don't Mind

The Word Alive

[Chorus]

I don't mind, I don't mind  
Wasting my time  
I don't mind  
Out of time, out of time  
Got left behind  
I thought I wouldn't mind

[Verse 1]

It's simple to me, why can't you see  
I just wanna be free, be free  
It's easy to be ignorant blissfully  
We wanna be free, be free

[Pre-Chorus]

Am I crazy anticipating your lack of concern for my life?  
It's like erasing my memories that were your design  
But does it make me right?

[Chorus]

I don't mind, I don't mind  
Wasting my time  
I don't mind  
Out of time, out of time  
Got left behind  
I thought I wouldn't mind

[Verse 2]

There's nothing to do, I was blinded by you  
I just wanna be free, be free

So here we are no thanks to me  
You can finally be free, be free

[Pre-Chorus]

Am I crazy anticipating your lack of concern for my life?  
It's like erasing my memories that were your design  
But does it make me right?

[Chorus]

I don't mind, I don't mind  
Wasting my time  
I don't mind  
Out of time, out of time  
Got left behind  
I thought I wouldn't mind

[Bridge]

You know I don't mind  
You know I don't mind  
You know I don't mind  
You know I don't mind

[Chorus]

I don't mind, I don't mind  
Wasting my time  
I don't mind

Out of time, out of time  
Got left behind  
I thought I wouldn't mind

[Outro]  
I don't mind, I don't mind
