

# I Fucked Up

The Word Alive

[Verse 1]

I've thought that this was it  
Said a thousand times "I quit"  
But I can't let go cause I need this  
Hate me?  
I f\*cking hate me  
You've seen the worst in me  
(The worst enemy)  
It's why you sing with me

[Chorus]

This is for every time that I f\*cked up  
Didn't believe I was enough  
Lost in my dreams  
And when we're older  
And the world gets colder  
We won't give up  
(Give it up, give it up, give up)

[Verse 2]

I know we're made for this  
You say that this is it  
But I can't let go cause I need this  
So now the secrets out  
You've seen what I'm about  
All I need to know is  
Do you love or do you hate me now?

[Chorus]

This is for every time that I f\*cked up  
Didn't believe I was enough  
Lost in my dreams  
And when we're older  
And the world gets colder  
We won't give up  
(Give it up, give it up, give up)

[Bridge]

At your mercy  
Down on my knees  
Now you see me  
As I'm breaking

[Breakdown]

Hate me  
Hate me  
Hate me  
Hate me, you hate me, you hate me

[Chorus]

This is for every time that I f\*cked up  
Didn't believe I was enough  
Lost in my dreams  
And when we're older  
And the world gets colder  
We won't give up  
(Give it up, give it up, give up)

(Give it up, give it up, give up)
