

# NO WAY OUT

The Word Alive

Stuck in a bottle, think I need that  
Tears in my eyes, can't go back  
Tunnel vision, now all hope is missin'  
Thinking that I made the right decision

Then two turned to four, now we've lost track  
Memories flooded as it goes black  
Mistakes that I made just attack, attack  
When you're this lost, most don't come back

Too close with no chance to let you know

So tell me, was it worth it?  
Even if you're hurtin'  
I've given into all my darkest doubts  
But there was no way out  
Tell me, was it worth it?  
Maybe I deserve this  
I've given into all my darkest doubts  
But there was no way out

Tell my family I love them, I'm sorry  
Tell my friends it's okay if they hate me  
Tried so hard, came up empty  
Forgive and forget isn't like me

I never learned how I need to let go  
It's all too much so I swallowed the pain away  
I could've said

Too close with no chance to let you know

So tell me, was it worth it? (worth it)  
Even if you're hurtin'  
I've given into all my darkest doubts  
But there was no way out  
Tell me, was it worth it? (worth it)  
Maybe I deserve this (deserve this)  
I've given into all my darkest doubts  
But there was no way out

I ran away, I ran away  
Lied to myself, said it was okay  
I hid the pain thinkin' it'd go away  
Couldn't escape, I found another way  
I ran away, I ran away  
Trying to feel something

So tell me, was it worth it? (worth it)  
Even if you're hurtin'  
I've given into all my darkest doubts  
But there was no way out

So tell me, was it worth it? (worth it)  
Even if you're hurtin'  
I've given into all my darkest doubts  
But there was no way out

Tell me, was it worth it? (worth it)  
Maybe I deserve this (deserve this)  
I've given into all my darkest doubts  
But there was no way out  
No way out  
No way out
