

# Why Am I Like This?

The Word Alive

[Verse 1]

Honestly I'm waiting for you to say you're ready  
If this is happening, just tell me  
No hesitation, no stopping  
It just feels right  
But why am I like this?

[Chorus]

Take your time, wrong or right  
I just wanna feel alive tonight  
Yes or no? Don't go slow  
I just wanna feel alive tonight  
Our own bloody Sunday  
Our own bloody Sunday

[Verse 2]

So irrational this feeling  
Getting physical, I'm ready  
Seducing me with temptation  
Feeling free, your motivation  
It just feels right  
(If this is happening, just tell me)  
But why am I like this?

[Chorus]

Take your time, wrong or right  
I just wanna feel alive tonight  
Yes or no? Don't go slow  
I just wanna feel alive tonight

Our own bloody Sunday  
Our own bloody Sunday  
Our own bloody Sunday  
Our own bloody Sunday

[Bridge]

They say we're out of control  
They say they that we just don't know  
And maybe we'll prove them right  
But not tonight

[Chorus]

Take your time, wrong or right  
I just wanna feel alive tonight  
Yes or no? Don't go slow  
I just wanna feel alive tonight  
Our own bloody Sunday  
Our own bloody Sunday  
Take your time, wrong or right  
I just wanna feel alive tonight  
Yes or no? Don't go slow  
I just wanna feel alive tonight

[Outro]

Our own bloody Sunday  
Our own bloody Sunday  
Our own bloody Sunday

Our own bloody Sunday
