Dead Inside

The Working Title

Well you told me i was perfect for you and made me think i was and hid from me your boyfriend who soon showed up and rightfully stole the one thing i ever loved then you told me i could never see you and made me what i am to day

I was alive, now im dead inside i'll watch my insides coming out tonight with this knife

So i sent my biggest friends to his place to let him know how f ar this threatening my life would get him here

and made the big mistake of my whole life dont you see what happens when you tell a lie? now people lose their lives
