

# Always, Everytime

## The Wrecks

She said we can go to yours  
Do you have a bedframe?  
Does it have a headboard?  
Do you wash your duvet?  
Do you separate your whites?  
Do you hang your shirts to dry?  
I said let me tell you somethin'  
'Bout peruvian sheets  
1, 000 thread count  
I don't mess with high heat  
Didn't mean to make her laugh  
She said where'd you learn to talk like that?

You are  
Something that I haven't met before  
You are something real  
You are something real  
So real, so real  
So real, so, so

Talk, talk, talk to me 'til my ears bleed  
Walk, walk, walk, walk me through your theories  
Always, every time  
Always, every time  
Yeah c'mon, c'mon, c'mon let's get moving  
If something goes wrong  
I know we'll get through it  
Always, every time  
Always, every time

You know I'm always down  
I just like to complain  
All the things I don't like  
Are the things I can't change  
Didn't mean to make her sad  
She said no one really talks like that

You are  
Something that I haven't met before  
You are something real  
You are something real  
So real, so real  
So real, so, so

Talk, talk, talk to me 'til my ears bleed  
Walk, walk, walk, walk me through your theories  
Always, every time  
Always, every time  
Yeah c'mon, c'mon, c'mon let's get moving  
If something goes wrong  
I know we'll get through it  
Always, every time  
Always, every time  
Always, every time

So tell me, tell me what's on your mind  
'Cause I could listen to you all night

Yeah c'mon, c'mon, c'mon let's get moving  
If something goes wrong  
I know we'll get through it  
Always, every time  
Always, every time  
So tell me, tell me what's on your mind  
'Cause I could listen to you all night  
Always, every time
