

## Normal

## The Wrecks

I'm losing weight 'cause I can't sleep  
I tell my friends that I'm fasting  
I'm not in shape; I'm unhappy

I'm getting used to your silence  
It can't hurt me like I can  
I don't hate you, but goddamn  
You didn't make it easy

So, why do my favorite nights  
Always end up with me crying  
There's gotta be a way  
There's gotta be a way  
To fix who I am

I just wanna see the world  
Like everybody else does  
I just wanna fall in love  
Like everybody else does  
How come it's so hard for me  
How come it's so hard for me  
What does it take to be normal

I just wanna see the world  
Like everybody else does  
I just wanna fall in love  
Like everybody else does  
How come it's so hard for me  
How come it's so hard for me  
What does it take to be normal

You left your shirt in the front seat  
It hasn't gone through the laundry  
Last time you wore it you loved me

We fell apart; you got quiet  
You cut me out without trying  
I swear I loved you, but goddamn  
You didn't make it easy

So, why do my favorite nights  
Always end up with me crying  
There's gotta be a way  
There's gotta be a way  
To fix who I am

I just wanna see the world  
Like everybody else does  
I just wanna fall in love  
Like everybody else does  
How come it's so hard for me  
How come it's so hard for me  
What does it take to be normal

I just wanna see the world  
Like everybody else does  
I just wanna fall in love

Like everybody else does  
How come it's so hard for me  
How come it's so hard for me  
What does it take to be normal

She asked if I'm a psychopath  
I said, how the hell should I know that  
Is it really that bad  
(Is it really that bad)  
She asked if I'm a psychopath  
(I'm a psychopath)  
I said, how the hell should I know that  
(How should I know that)  
Is it really that bad  
(Is it really that bad)

I just wanna see the world  
Like everybody else does  
I just wanna fall in love  
Like everybody else does  
How come it's so hard for me  
How come it's so hard for me  
Why don't I get to be normal

I just wanna see the world  
Like everybody else does  
I just wanna fall in love  
Like everybody else does  
How come it's so hard for me  
How come it's so hard for me  
What does it take to be normal

I just wanna see the world  
Like everybody else does  
I just wanna fall in love  
Like everybody else does  
How come it's so hard for me  
How come it's so hard for me  
What does it take to be normal
