

William

The Wrens

you??'ve got a lot to learn was whispered in my ear
I??'ll be watching from above
I??'m not scared any more
but I??'ll miss you as time goes by
I hope you hear my voice
I hope your breathing free
your the wonder of their year I??'m sure
they??'re happy to see you happy to be with you
I want you to know how I feel
what it means inside to grow and die
but with you I??'ll always live
and I??'ll never never never let you go
