

## Chained

The xx

I watched you breathe in  
And I wished you'd stop  
Only for long enough  
Long enough

It's hard to say

Separate or combine  
I ask you one last time  
Did I hold you too tight?  
Did I not let enough light in?

Ooh, ooh, ooh, ooh

If a feeling appears  
If your mind should sway  
It's not a secret you should keep  
I won't let you slip away

We used to be closer than this  
We used to be closer than this  
We used to get closer than this  
Is it something you missed?

We used to be closer than this  
We used to be closer than this  
We used to get closer than this  
Is it something you missed?

Winged or chained  
I ask you would you have stayed  
Did I hold you too tight?  
Did I not let enough light in?

Ooh, ooh, ooh, ooh
