

Reckless

The Years Gone By

Quarter past 10. and I'm reckless. I'm reckless at best.
Live like you never knew. watch the days count down from two.
One shot. I'm feeling so dishonest.
Like love, the line you're standing on is weak.
I've been told, one more than one occasion.
Two more hours and, I'm still waiting.

Ohh I believe in what's inside you. You're still a part of me.
Flame burned out this time. Eyes can't see, in matters of the heart.
I guess I gotta believe. Put your faith in me.

I tried to run, but my feet clipped, my feet clipped the curb.
I spend most nights alone on the couch, staring at the floor.
If love is my religion, Like love... we never get it.
Scream my lungs out what have I done

Ohh I believe in what's inside you. You're still a part of me.
Flame burned out this time. Eyes can't see, in matters of the heart.
Just gotta believe.
Put your faith in me.
Put your faith in me
