

## Kind Hearted Woman

The Youngbloods

Got a kind hearted woman, do anything in this world for me  
I got a kind hearted woman, do anything in this world for me  
But these evil-hearted women, well they'll not let me be

I love my sweet baby, my baby don't love me  
Yeah, I love my sweet baby, oh my baby don't love me  
Well, I really love that woman, I can't stand to leave her be,  
oh

Said I [?] but the one thing, makes me wanna drink  
The way you treat me, darlin', I begin to think  
Oh baby, my life don't feel the same  
You know you're breaking my heart, mama  
When you call Mister So-and-So's name, oh yeah

Got a kind hearted woman, do anything in this world for me  
I got a kind hearted woman, do anything in this world for me  
But these evil-hearted women, well they'll not let me be

Yeah, I got a kind hearted woman, don't you know she studies evil all the time  
Yeah, I got a kind hearted woman for she studies evil, evil, evil all the time  
Oh, I believe she like to kill me just to have it on your mind
