

Monkey Business

The Youngbloods

Runnin' to-and-fro, hard workin' at the mill
Never fail in the mail, yeah, come a rotten bill
Too much monkey business, too much monkey business
Too much monkey business for me to be involved in

Salesman talkin' to me, tryin' to run me up a creek
Says you can buy now, gone try, you can pay me next week, ah
Too much monkey business, too much monkey business
Too much monkey business for me to be involved in

Blond have good looks, tryin' to get me hooked
Want me to marry, get a home, settle down, write a book
Too much monkey business, too much monkey business
Too much monkey business for me to be involved in

Same thing every day, gettin' up, goin' to school
No need for me to complain, my objection's overruled, ah
Too much monkey business, too much monkey business
Too much monkey business for me to be involved in

Take home, something wrong, dime gone, will hold
Order suit, hopped up for telling me a tale, ah
Too much monkey business, too much monkey business
Too much monkey business for me to be involved in

Been to Yokohama, been fightin' in the war
Army bunk, Army chow, Army clothes, Army car, ah
Too much monkey business, too much monkey business
Too much monkey business for me to be involved in

Workin' in the fillin' station, too many tasks
Wipe the windows, check the tires, check the oil, dollar gas, ah
Too much monkey business, too much monkey business
I don't want your botheration, get away, leave me

Too much monkey business for me
