

Reason to Believe

The Youngbloods

If I listened long enough to you
I'd find a way to believe that it's all true
Knowing that you lied straight-faced while I cried
Still I look to find a reason to believe

Someone like you makes it hard to live without somebody else
Someone like you makes it easy to give, never think about myself

If I gave you time to change my mind
I'd find a way just to leave the past behind
Knowing that you lied straight-faced while I cried
Still I look to find a reason to believe

If I listened long enough to you
I'd find a way to believe that it's all true
Knowing that you lied straight-faced while I cried
Still I look to find a reason to believe

Someone like you makes it hard to live without somebody else
Someone like you makes it easy to give, never think about myself

Someone like you makes it hard to live without somebody else
Someone like you makes it easy to give, never think about myself

Someone like you makes it hard to live without somebody else
Someone like you makes it easy to give, never think about myself

Someone like you makes it hard to live without somebody else
